## CLUB NEWS

They call it golf because all of the other four-letter words were taken.  
~Raymond Floyd

**SHANGHAI** — Justin Rose posed with the trophy from the balcony high above the 18th green at Sheshan International, a moment that didn't seem possible. He started the final round eight shots behind Dustin Johnson, the No. 1 player in the world. "The beginning of the day, I was playing for second," Rose said. The WGC-HSBC Champions turned into a shocker in Shanghai when Johnson went into the PGA TOUR record books for all the wrong reasons. Instead of becoming the first player to win three World Golf Championships in one year, he tied a record for losing the largest lead in the final round. Six shots clear of the field, Johnson didn't make a single birdie on a wild, wind-blown Sunday for a collapse that even Rose didn't see coming.

This week The Shriners Hospitals for Children Open brings the FedExCup to Las Vegas as the PGA TOUR returns to the Las Vegas valley for the 35th consecutive year. Many of the top golfers in the world will participate in the competition and help support the mission of Shriners Hospitals for Children from Oct. 30–Nov. 5, 2017, at TPC Summerlin.

Happy Golfing.

## FROM THE CAPTAIN

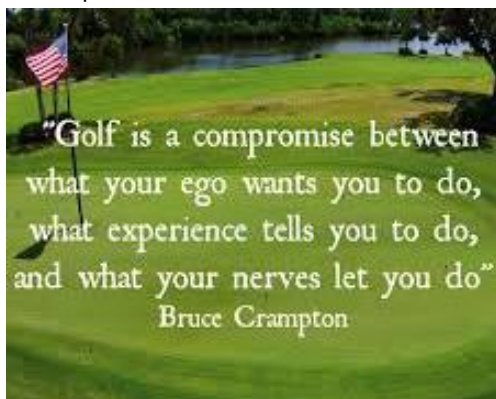

### League Golf

There will be a Betterball Handicap League meeting on Wednesday the 15th of November 2017 to discuss the 2018 league season. All members who are interested and committed to playing Betterball Handicap League in 2018 are invited to attend. Please fill in your name and contact details on the lists provided on the notice board at the club. The league season will start the end of January 2018 so this meeting is important so that we can be organized. The meeting will take place after Mike's prize giving at around 6:15pm at the club.

Please note that the Club Tees (white markers) ratings have changed from 70 to 71 as from the 1st November 2017. Any player making use of the red markers need to subtract 4 strokes instead of 3 from their handicaps.

This weekend is Greenkeeper's Revenge, can I please ask members to support Paul in this fun competition.

Regards  
Scott

## GOLFING TIPS

Wouldn't you love to be more consistent on the golf course?

If you think about it, consistency is really what is standing between you and lower scores. Sure, it would be nice to improve your swing technique, but your current swing is likely capable of hitting plenty of good shots. In fact, during your last round, you almost certainly hit at least a handful of quality shots.

*Those shots prove the capability of your swing.*

With a swing that is already capable, the only thing stopping you from shooting low scores is the ability to repeat that swing time after time.

Of course, repeating your swing is easier said than done. As the saying goes, 'if it was easy, everyone would do it'.

There are a number of hurdles that you will need to clear before you can establish what would be considered a consistent golf game. We are going to attempt to help you clear some of those hurdles with the advice we offer in this article.

Before getting started, we do want to make one thing perfectly clear – no golfer is able to produce consistent results on every single shot. If you watch the players on the PGA TOUR compete at the highest level, you'll notice that even they still hit bad shots.

Golf is a hard game, and there will always be mistakes along the way. The goal is to replace as many of those mistakes as possible with quality shots.

Next week we will bring you a few tips to help you play more consistently.
