Bjorn Singles Out McIlroy For Praise Ahead Of EurAsia Cup Showdown. European Team Captain, Thomas Bjorn has singled out Rory McIlroy for praise ahead of Friday's start to the third biennial EurAsia Cup in Malaysia. Bjorn leads a very strong European Team including European No. 1 Tommy Fleetwood, former Open champ, Henrik Stenson along with three other past Ryder Cup stars in Paul Casey, Ross Fisher, Matthew Fitzpatrick and Thomas Pieters. Paul Dunne is the lone Irishman in the European Team as was the case two years when Shane Lowry was a single Emerald Isle member of the victorious Darren Clarke led team in steamy Kuala Lumpur. And like Clarke, this week's event will no doubt prove a good testing ground in terms of partnerships for Bjorn ahead of September's Ryder Cup showdown in Versailles. Bjorn, as a then Hazeltine vice-captain, recalled Clarke's decision to pair McIlroy with Pieters in the Friday afternoon fourballs and then after winning 3 & 2 over Dustin Johnson and Matt Kuchar stuck them out again in the Saturday morning foursomes and with the pair defeating Phil Mickelson and Rickie Fowler. "Rory (McIlroy) said it best after the last Ryder Cup in his pairing with (Thomas) Pieters," said Bjorn. "Rory didn't see the pairing with Thomas coming before he went into the Ryder Cup, but ended up having a great pairing with him, and also, now, a has a fantastic relationship with him off the course, too. "Relationships are built through these events, and that a very key message to the players is that you might play with somebody you didn't think coming into the week, but it could end up being something that will build a playing relationship but also a personal relationship going forward." At close of practice on Wednesday in the Malaysian capital Bjorn had not released his pairings nor rival Asia Captain, Arjun Atwal.

Happy Golfing.

GOLF TIPS

10 Best Swing Tips Ever!

1. Keep Your Hands Low

Limiting the height of the follow through will effectively reduce the height of your shots. The lower the hands, the lower the ball flight. Moving the ball back in your stance or choosing a stronger club and trying to swing easy are other ways to accomplish the same thing, but they're less reliable and more difficult to execute. Instead, keep your hands low in the finish (compare the two photos at right), and the trajectory of your shots will be lower.

2. Give Your Spine The Forearm

Make sure you're on-plane at the top of the swing to guarantee solid ball striking and increased accuracy. Notice in the photo at left how my right forearm is parallel to my spine, my left wrist is flat and my elbows and arms form a tight triangle. These are indications that I've rotated my shoulders into the backswing perfectly.
