WEEKLY UPDATE

Vacancy

Trying to get rounds through the golf course to keep the fee structure affordable to all members is a challenge. Having said that we will be appointing a Sales / Marketing Person at the Club to visit Schools, Corporates and other Businesses to try and get a few more golf days booked. If there is any member who knows of any dynamic youngster with Sales and Marketing experience, please ask them to contact Mark Bruyns, the General Manager

DANGER WARNING

Members and their guests are requested not to climb into the trench that is being dug through the course to retrieve golf balls as this area is very dangerous. It is advisable **NOT TO ENTER** the construction area at all. Just this past weekend a very serious incident occurred on another construction site (not at Modderfontein) and we do not wish any harm to come to anyone at MGC. Your co-operation in this regard is appreciated.
