## WEEKLY UPDATE

### Just for Laughs

#### World's worst

A golfer was having a terrible round – 20-over par for the front nine with scores of balls lost in water or rough. When his caddie then coughed as he steadied himself over a 12-inch putt on the 10th, he lost it.

“You’ve got to be the worst caddie in the world!” he yelled. “I doubt it,” replied the caddie, dead-pan. “That would be too much of a coincidence.”
